

THE GOSPEL

BIBLE READING PLAN

What an incredible opportunity during this summer of 2020 to spend some time with God's Word! This Bible Reading Plan is for those who have never opened the Bible before, and those who have. It is for those who will read by themselves or read with others and even children. We know everyone is in different situations, but we also believe that God wants to meet each of us right where we are! May this time in God's Word richly bless you!

A couple quick tips:

1. Attempt to set aside a specific time when you will go through these readings each day. It can be helpful to try forming a daily habit/rhythm.
2. If you have children, you may want to read through that days reading on your own to formulate some key takeaways or questions before reading and discussing it with your children
3. The questions and prayers are simply prompts. Feel free to make changes as the Holy Spirit leads.

Those who have no Bible knowledge:

1. The large numbers you see in the bible are called chapters; the smaller numbers under chapters are called verses.
2. Something like "Luke 1:22" = "Luke, chapter 1, verse 22".
4. Luke is simply the author of this book/letter found in the Bible. There are many other authors of different books/letters in the Bible as well.

Helpful general overview:

"The Gospel of Luke is in the form of a letter to a man named Theophilus. ... Luke documents Christ's life from before his birth through his ministry, death, and resurrection. Jesus carried out his ministry in the power of the Holy Spirit, announcing the good news of salvation. He showed numerous times his compassion for the poor and the outcast. He fulfilled prophecy and carried out his purpose: to seek and save the lost. ... Luke, a physician and a colleague of Paul, probably wrote this account in the early 60s a.d. He also wrote Acts." (English Standard Version, 2016)

"Luke presents the story of Jesus' life as a journey. The story begins at the Jerusalem temple (1:8), climaxes with Jesus teaching at the temple some 30 years later (19:45–21:38), and ends at the temple (24:53) after Jesus is crucified, buried, resurrected, and ascended outside the city. (The Lutheran Study Bible, 2009)

May this time in God's Word richly bless you as you listen to Him speak.
